Creating Respectful Relationships in Homes and Schools

PARENTING CLASSES

based on the studies of Dr. Jane Johnson

Everyone takes classes to be engineers, accountants, and teachers. We almost never think about classes to learn how to be a parent.

Be the best parent you can be! Learn many positive tools!

Learn about Positive Discipline and how to parent . . .

A 4-week class led by PHMA employees trained to be facilitators!

Meet like-minded parents and teachers while learning in a
cohesive group!

8 hours of class time for less than \$15 a class hour per person!

Childcare is also available!

Located at Palm Harbor Montessori Academy Secondary Leadership
Academy!

With Positive Discipline there is:

No punishment. No permissiveness. No rewards. No fixing situations.

No praise. No pampering. No punitive time out. No taking away privileges as punishment.
