

## **ADMISSION POLICY**

Palm Harbor Montessori Academy (PHMA) is committed to bringing young people together from a broad spectrum of ethnic, national, and religious backgrounds. We welcome diversity and encourage our students to broaden their perspective of the world through friendships, mutual respect and understanding.

Each new application is carefully considered according to each student's individual talents and learning style. Our goal is to ensure that our school will be able to offer the applicant the best possible learning environment to meet his or her specific needs. We are committed to helping families find the best match between student and school by striving to assure that the goals and values of each student and family are in alignment with those of our school.

We encourage each family to carefully read our school literature and spend time observing our classes. We are happy to schedule individual appointments to answer questions that will help you with this important decision.

Applications are carefully considered in the order of submission. Most applications are received between October and April for the following school year; however, applications will be considered throughout any given school year as openings are filled when a space becomes available. When you are ready to proceed with the enrollment process, complete the enclosed application and submit it to our office with the application fee. The admission process will then proceed.

PALM HARBOR MONTESSORI ACADEMY does not discriminate on the basis of race, color, religion, sexual orientation, national or ethnic origin. We believe that social, racial, religious and cultural diversity in the student body and staff contribute greatly to the value of the school experience.
